For more than 40 years, Hospice of St. Francis has served Brevard County as a compassionate provider of hospice services. Over time, our organization has developed expertise and services across all stages of end of life care, from pre-hospice to post-hospice. The legacy of care established by founder Emilie Sasko and a group of volunteers in 1977, has grown to become a multi-faceted provider of care and resources for the residents of Florida’s Space Coast.

St. Francis Reflections provides:
- Hospice Care
- Palliative Care
- Pediatric Palliative Care
- Grief Support
- Massage Therapy
- Caregiver Life Enrichment
- Virtual Reality Experiences

As a service to our beloved community, our organization also provides large-scale community memorial services, a pet placement program for hospice patients, and specialized programming in support of our large population of Veterans.

Our Mission

2021 Accomplishments
- Opened 2 additional inpatient units. Serving all of Brevard County.
- Renewal of We Honor Veterans Level 5
- CHAP Recertification with no direct patient care findings.
- 2021 Greater Palm Bay Chamber of Commerce Non-Profit of the Year.
- Partnership with Partners in Care: Together for Kids (PIC:TFK). St. Francis Reflections is the state’s only provider of choice for PIC:TFK in Brevard county.
- 2021 Hospice Honors Recipient. A prestigious program that recognizes hospices providing the highest level of quality.
