“We are Good Sam.”
The right care for the right reasons.

The only non-profit, community-based hospice serving Roanoke, New River Valley and Smith Mountain Lake.

It is our mission to affirm life in the midst of illness and grief and, above all, honor what matters most to each person and family served.

“To me, what sets Good Sam apart is the care that they provide. They are not focused on making money, they are focused on the patient and providing care for the family. That’s the big difference between a community-based program versus other for-profit companies.” — Linda, Parish Nurse

Roanoke 540.776.0198
