Hospice of Marion County

Your Hometown Hospice™ Since 1983

At Home

At One of Our Three Houses

At Any Age

Serving 3,500 patients and families every year

As a community-based, not-for-profit,

our mission is to provide exceptional compassionate end-of-life care to the community.

Since 1983, our services have expanded to include numerous specialty programs to further enhance the quality of life.

Our **three Hospice Houses** with a total of 40 beds are located throughout the county, as are our **4 Thrift Stores** which help supplement non-reimbursed care.

As a **Level 5 member of We Honor Veterans**, our focus is increasing access for so many who served our country.

We also provided $482,394 in charitable care in 2021. Over the past 5 years, that figure is more than $2.3 million.

The ALOS for 2021 is 42.8days and our family satisfaction score of 87.8% rating is excellent/very good (= rating a 9 or 10 on a 0-10 point scale); higher than the national average of 85.3%).

Our volunteers provided patient 1,345 visits totaling 7,549 hours.

HMC's affiliated companies are Accent Medical (DME/supplies) and Center for Comprehensive Palliative Care dba Carewell Supportive Care.

Specialty Programs:

- Transitions—140 clients in 2021
- Pet Peace of Mind—2 volunteers and 7 pet visitors help care for patients' pets
- 11th Hour Vigil—25 volunteer sitters, 11 active
- Veterans Pinning Ceremonies—554 in 2021
- Camp Mariposa—a bereavement camp held twice a year for ages 5-12 by the Monarch Center for Hope & Healing.
- Teen Programs: Teen Tuesdays and Club Soul

Community Grief Support

Hospice of Marion County's commitment to provide bereavement services to all in need is a hallmark of its dedication to the community. Outreach includes: adult support groups, Memorial Services, Grief Care seminars, Suicide Survivor Conference, VA Summits, monthly workshops for the public, seminars with the school system, assessment services and community resource coordination and private consultations about Advance Directives.
