In 2022:

6,729 Patients Served
472 ADC - Hospice
843 ADC - Palliative
12 NC Counties

Please visit CarolinaCaring.org/testimonials to see how we are...

Filling Each Day with Purpose.

- **Palliative Medicine** - Serious illness management delivered by providers in the home and 7 clinics throughout service area
- **Hospice** - Low patient-to-staff ratio, designed to give attention to detail and improve patient/family satisfaction
- **Counseling** - Bereavement for families, spiritual support, and counseling services for the community
- **House Calls** - Home-based primary care services for those whose mobility or illness prevents them from receiving primary care
- **Cardinal Kids** - Specialized perinatal, pediatric palliative and hospice program
