Optum Hospice Pharmacy Services Overview

For over 25 years Optum has been empowering hospice care through a flexible, forward-thinking approach by providing industry leading expertise in helping you control costs, improve technology and deliver exceptional service so you can put your energy where it matters most – with your patients. The way to make this happen is through a collaboration between you and Optum to architect and deliver a customized program that provides:

- Deep drug discounts and clear visibility of your dollars
- Pharmacy network access to local, delivery, infusion and IPU solutions
- Clinical programs to strengthen compliance and patient care
- Analytic tools to drive new insights on performance and utilization
- Technology solutions to improve business and administrative efficiencies
- Educational resources for your staff and patients alike
