

## OnePoint Patient Care Overview

OnePoint Patient Care is the nation's leading provider of community-based hospice pharmacy and pharmacy benefits management (PBM) services offering hospices nationwide flexible and adaptable solutions for their hospice pharmacy needs.

OnePoint fills prescriptions, creates custom compounds and formularies, provides home deliveries and manages pharmacy benefits for more than 50,000 patients per day and is available in 50 states.

OnePoint was one of the first pharmacies to begin serving the hospice industry when the Medicare hospice benefit began in the 1980s. Today OnePoint has grown to be one of the leading national hospice pharmacies with 24 regional pharmacy locations strategically located throughout the United States.
