

National Partnership
for Healthcare and
Hospice Innovation

2024 ANNUAL SUMMIT

PRESENTING SPONSOR:  DELTA CARE

MAY 7-9, KANSAS CITY

From America's Heartland: Innovative Strategies to Transform Care

Dear Potential NPHI 2024 Annual Summit Sponsor -

I am thrilled to inform you that the 8th Annual Summit of the [National Partnership for Healthcare and Hospice Innovation \(NPHI\)](#) will take place in **Kansas City** from **May 7-9, 2024** and I would like to personally invite you to join us as a Summit sponsor.

NPHI brings together like-minded, not-for-profit, community and values-oriented end-of-life care programs that are the original architects of quality, patient-centered, home-based care. Together with our members, we are leading a transformation in healthcare by setting the highest standards of serious illness care in the United States. Last year alone, our members collectively cared for over **410,000 people** – providing them with dignity and respect in their final stages of life.

Our 8th Annual Summit will be attended by nearly 400 senior healthcare leaders from 100+ programs. It will be a crucial opportunity to develop forward-thinking and innovative solutions to the ever-changing hospice community. In 2023, our Annual Summit was **attended by 86%** of our member programs – a threshold we intend to pass this coming year!

Sponsorship is the only way for non-members to attend the Summit and we would appreciate your support as an important strategic partner in the hospice movement. We are pleased to offer many opportunities for your organization to participate in the 2024 Summit. Sponsors will be able to attend sessions and interact with decision makers in what will be an uplifting experience due to the nature of our work.

Please review the options included in this packet and contact Beth Kurta, NPHI Senior Director of Member Engagement, at ekurta@hospiceinnovations.org for more information.

We will begin to add sponsor logos to our member and public facing materials on a rolling basis as soon as sponsors are named, and deposits received. I thank you in advance for your generous support and I look forward to seeing you next May.

Carole Fisher

President

National Partnership for Healthcare and Hospice Innovation
