

## IntellaTriage – Overview

Built around a mission to improve the lives of nurses and patients, IntellaTriage has been providing after-hours nurse triage for hospice and home health providers, hospitals, physician groups, health plans, and specialty practices since 2008. Utilizing best-in-class technology, IntellaTriage provides round-the-clock direct access to licensed, registered nurses using client-customized protocols for patient-centered, compassionate care – and no answering service. With clients in 27 states and 250% growth in five years, the company delivers improved patient experience and quality after-hours care, while reducing nurse burnout.
