

HUSCH BLACKWELL

Overview

Husch Blackwell is a different kind of law firm built on long-term partnerships and a culture of selfless service. We help clients achieve business success by providing leading legal strategies, creative solutions that blend technology and teamwork, and over 1,000 attorneys and professionals who deliver unmatched personal service in uncommon ways.

Unlike other national firms, Husch Blackwell is structured top to bottom around client industries so teams with diverse experience across practice areas can readily tap collective knowledge and resources to help our clients solve the world's most complex challenges. Everything we do is designed to make it easy for clients to do business with our firm.
